

The Shoreline Police Department has one Community Service Officer, CSO Corona. The CSO provides non-law enforcement services to the community, relieving police officers of some tasks that do not require police authority.

The CSO's responsibilities are many. A typical day includes delivery of police correspondence to the city and county offices and courts. CSO Corona is also responsible for taking a majority of the found property cases, including bicycles, as well as assisting the Department in a community outreach function. CSO Corona assists with Spanish translation for our officers in addition to the Major Crimes Unit and also assists other law enforcement agencies when available. The number of people coming into the Precinct for Spanish services is increasing.

CSO Corona also assists at the Eastside Storefront Office. Highlights's of CSO Corona's work is included in the [2011 Annual Police Service Report](#).
